PROSPECTUS

(2013-2014)

From the desk of Vice-Chancellor

Let me take this opportunity to accord you a warm welcome to Vidyasagar University. A young but promising and flourishing University, it was created as a state University in 1981, where Post-Graduate departments started functioning from the session 1986-87. Having Started out only with six Post-Graduate departments, the University now conducts studies in twenty six Post-Graduate departments, many of which are situated in the frontier and interdisciplinary areas of science and social science subjects. The University is proud of its highly qualified and dedicated faculty members, motivated students and research scholars and adequately equipped supporting and administrative staff, capable of assimilating the forces of modernization and globalization in the field of higher education.

Named after the legendary 19th century pioneering social reformer, social activist, litterateur, dedicated to the cause of the uplift of women, Pandit

Iswar Chandra Vidyasagar, Vidyasagar University, since its inception, has committed itself to the goal of teaching and learning in the higher education, ensuring quality education and research and providing scope for extra-curricular activities in the best possible manner in a district which is relatively backward but which has a glorious history of playing a pioneering role in the freedom struggle of India. Within the

last 28 years of its existence, the university has registered its growth both qualitatively and quantitatively. Post-Graduate studies are conducted not only in university departments but in about 10 of the affiliated colleges as well. The number of affiliated colleges is around 50 and the subjects offered in the undergraduate colleges cover the traditional subjects as well as modern emerging ones. A few professional colleges providing management and social work education are also within the fold of this university.

Situated on the fringes of the historic city of Midnapore, the University has a beautiful, sprawling and eco-friendly plastic-free campus which houses administrative departments, Post-Graduate departments for teaching learning and research, the centre for distance education, the expanding hostel building for both male and female students, the residential accommodation for both

Vidyasagar University

teaching and administrative staff, the play ground, the student amenity centre, the extension centers. Much of these extension and developmental activities has taken place within the last few decades of its existence in response to increasing demands of higher education in the locality.

This Postgraduate Prospectus provides you with useful information about Vidyasagar University's background, admission requirements, structure of its academic programmes and general information on the services and facilities available in this University. In consonance with its vision of being a centre of excellence in the areas of teaching and research & development, Vidyasagar University's academic structures and curriculum aim at enhancing the students' ability to become highly competent professionals and global players of the future. Highly capable and experienced staff-members look after the teaching and learning processes as well as the research work. The equipments, machinery and ICT facilities available at the University adequately support the research and innovation activities that are reflected in various Postgraduate programmes.

We look forward to welcoming you as a new member of our Vidyasagar University community. Join us and be proud of your identity as a student of Vidyasagar University.

Professor Ranjan Chakrabarti

Admission to Post-Graduate and other Courses

Vidyasagar University started its academic activities during 7th plan period(1985) from the session 1985-1986 following an Act of the State Assembly to cater to the needs of higher education with special emphasis on the all-round development of the rural areas of the agro-based districts of Midnapore. The geographical area covered by this University is quite under-developed and demands special attention to human resource development to improve socio-economic condition of the people of this region. The courses have been designed to achieve this goal.

The University started with six Post-Graduate Departments under Arts & Commerce and Science Faculty for the session 1985-1986 and in each designed course special stress was given on regional needs. Subsequently in 1989 & 1990, nine more PG. Courses were added and here also special attention and weightage were duly given to the need of the locality and so various environmental requirements like Forestry, Fisheries, Health and Nutritional needs of the people and the technological requirements for industrial developments of the region were largely incorporated in the syllabi. In addition to fifteen PG Courses, Masters degree in Geography in 1995, M.C.A. in 1998, Microbiology and Electronics in 2001, PGLDT (late MLT, now Bio-Medical Laboratory Science & Management) and Masters degree in Computer Science in 2002, Remote Sensing & GIS and Aquaculture Management & Technology in 2003 have been started. From 2005, Masters degree in Sanskrit, Sociology and Bio-Medical Laboratory Science & Management (a UGC innovative Programme) are being offered. From 2006-2007, two-year M.B.A. Course has been started. All the above courses are running in Vidyasagar University Campus.

Post-Graduate Courses in Computer Science, Physics and Zoology were introduced at Panskura Banamali College, Midnapore College and Raja N.L. Khan Women's College in this order from the session 2004-05. Also M.A in Bengali at Khargapur College and M.Sc in Chemistry at Jhargram Raj College are running from the session 2005-2006. National Service Scheme

The National Service Scheme was stated to establish a meaningful linkage between the campus and the community. Mahatma Gandhi, the Father of the Nation, had

Swasata Bharat

recognized that the country could not progress in a desired direction until the student youth were motivated to work for the upliftment of the villages/community. For Gandhiji the villages, where majority of the population lived, represent the country i.e. India. Therefore, for the national reconstruction and national resurgence it was deemed fit that the students and teachers should be properly sensitized and utilized for strengthening the

Indian society as a whole with particular emphasis on rural community. Therefore, student youth, teachers and the community are considered the three basic components of the National Service Scheme.

OBJECTIVES

The broad objectives of NSS are to:

- (i) Understand the community in which they work;
- (ii) Understand themselves in relation to their community;
- (iii) Identify the needs and problems of the community and involve them in problem solving process;
- (iv) Develop among themselves a sense of social and civic responsibility;
- (v) Utilize their knowledge in finding practical solution to individual and community problems;
- (vi) Develop competence required for group-living and sharing of responsibilities;
- (vii) Gain skills in mobilizing community participation;
- (viii) Acquire leadership qualities and democratic attitude;
- (ix) Develop capacity to meet emergencies and natural disasters and
- (x) Practice national integration and social harmony.

THE MOTTO

The motto or watchword of the National Service Scheme is 'NOT ME BUT YOU'. This reflects the essence of democratic living and upholds the need for selfless service and appreciation of the other person's point of view and also to show consideration for fellow human beings. It underlines that the welfare of an individual is ultimately dependent on the welfare of society on the whole. Therefore, it should be the aim of the NSS to demonstrate this motto in its day-to-day programme.

Placement Activity

Under the guidance of Dean of Students' Welfare, the placement cell consisting of different placement coordinators of respective departments invites various organizations to conduct campus recruitment for the interested students of VU. This cell facilitates recruitment of the deserving students of VU to get employment through test on campus or off campus. A partial list of the organizations who recruited our students are: Wipro, TCS, Pradan, HDFC Bank, Limtex Co.Ltd., ICICI Bank, SELVEL, Haldia Petro Chemicals, Future Group, Deson Steel etc.

Language Lab

For the enhancement of students' Communication Skills, Language Lab has been made functional in the Department of English. Special trainings are imparted to the interested students at a very concessional rate. Admitted students in PG courses may apply to the Dean of Students' Welfare to avail of this facility, once the notice is issued.

Hostel Accommodation

There are four hostels- two for girls and two for boys, in the University Campus. A total of 600 students (300 in Girls' Hostel and 300 in Boys' Hostel) can be accommodated in these hostels. Hostel accommodation is provided to the selected students based on the distance between their place of residence and Vidyasagar University, parents' income and past academic results. Soon after the admission, interested bona-fide students of the University may submit their applications to the Dean of Students' Welfare for the accommodation in hostels. The prescribed fees are to be deposited at the cash counter, by the shortlisted candidates after announcement of final list of the selected candidates.

General Insurance

To compensate the damage due to unforeseen events during study, the University is extending general insurance policy offered by one of the Govt. Insurance Agencies. To avail this facility the bona-fide students are to submit separate application forms to the Dean of Students' Welfare. The selected students will have to pay Rs. 299/- per annum and rest of the amount will be borne by the University.

Multigym Facility

To keep the students physically and mentally fit, the University is extending Multigym facility separately for boys and girls on payment basis. These two Multigyms are kept opened for four hours in the morning and four hours in the evening. Interested bona-fide students can submit separate application to the Dean of Students' Welfare/ Sports Officer.

A Brief Profile of the Department of Business Administration

The MBA course of Vidyasagar University started its Journey in the Year 2006 at the initiative of the then Vice-Chancellor, Prof. Swapan Kumar Pramanick and under the able leadership of Prof. Kartick Chandra Paul. Initially the course was being run under the Department of Commerce with Farm management getting nourished by its faculty members. From the very beginning, the course is following the UGC and AICTE guidelines. In the year 2009 the All India Council for Technical Education, New Delhi has given its prestigious approval. The course used to have faculties both from different departments of Vidyasagar University and other higher academic institutions near and far off places. In the year 2009, the department was permanently housed in a separate building called 'Silver Jubilee Bhawan'. Every year the Department is successfully renewing its AICTE approval. The university started offering MBA (Distance Learning) course in different affiliated colleges in West Bengal. The regular MBA has three Major-Minor specializations in Marketing Management, Finance Management and Human Resource Management. The MBA under Distance Learning mode has additional specializations in Operations and Systems Management, Production & Operations Management, Retail & Supply Chain Management, International Business Management, Pharmaceutical Technology Management, and Pharmaceutical Industry Management. In March 2012, two Assistant Professors joined the department in the substantive posts on full time basis. Different stakeholders of the university were feeling a strong need for making MBA a separate department of the university. The much waited day came on 4th April, 2012 when MBA was accorded with a separate departmental status in the name of 'Department of Business Administration' with all its statutory functions. The department has a State-of-the-Art air-conditioned computer lab with high-speed internet connectivity, a departmental library, one seminar room, sufficient class rooms, Coordinator's room, faculty rooms and other allied infrastructure. The much awaited Ph.D programme in Management started last year (2012). The department has a dedicated pool of faculty members engaged in high-end researches and publications in different fields of Management. Students having diversified back grounds come from all parts of West Bengal, Bihar, Odisha and other parts of India. The department achieved 100% final placements for the year 2009-2010. Students are getting placed in different prestigious organizations like Pricewaterhouse coopers, American Express Bank, Selvel Vantage, Future Group, Dr. Reddy's, ICICI Bank, Axis Bank, etc. The department of Business Administration under the continuous guidance, patronage and leadership of Hon'ble Vice Chancellors, currently from Prof. Ranjan Chakraborty, is progressing towards achieving excellence through commitment, dedication, and devotion. We believe "Truth will prevail" and we will bring positive change in the domain of Management Education in India.

ANNEXURE

Certificate Course in Human Rights

A Certificate Course of six months duration is running in the department of Political Science with Rural Administration from the academic session 2012-2013. 40(forty) Post-graduate students of the department of Political Science with Rural Administration are enrolled in the course. Besides the Certificate Course, there are various topics on Human Rights in Indian Politics, International Relations, Domestic Governance and so on in the syllabus of regular Post-graduate in Political Science. Seminars, Conferences are organized so that students of Arts, Commerce and Science are benefitted and are taught to assist the victims of human rights.

Certificate Course in Communicative English

The Department of English offers a short-term course in Communicative English. The students from all the departments of our university are eligible to attend the course, subject to the availability of seats. Faculty members of the Department of English along with external skilled resource persons conduct the interactive sessions with the students. The oral, written and aural skills are developed during the course as prime objectives.

M.Phil Programme in Political Science

M.Phil Programme (Regular Course) is running in the Department of Political Science with Rural Administration.

1. Total No. of seats – 15. Out of the total seats available in a department, 80 percent seats shall be reserved for the students of this university and the remaining seats for those of other universities.

Provided that the students of Vidyasagar University shall be admitted in case of non-availability of eligible students from other universities.

2. Seats shall be reserved for SC, ST & PH candidates as per norms. However, students from general category may be admitted if eligible candidates are not available from reserved category.

3. Admission will be made on the basis of the results of the admission test, which shall be conducted by the department. Students not obtaining 55% marks for General students and 50% for SC/ST/PH candidates at the concerned PG examination shall not be considered for admission test. The admission test shall be of 50 marks. The candidates obtaining fifty percent marks at the written test shall be qualified. The qualified candidates have to appear for the interview to be conducted by the M.Phil committee. The interview shall be held for 25 marks and the merit list shall be prepared taking into consideration only the scores at the interview.

Candidates qualified at the NET/GATE/SET/UGC (JRF)/CSIR (JRF) or any other examination that considered equivalent by the BRS shall also be exempted from appearing the Written Admission test and will have to appear at the interview.

4. The programme shall be of two years' duration. First year (comprising First and Second Semesters) will be devoted to course work and related activities and after the completion of each semester there shall be an Examination. Second year will be entirely devoted to dissertation work.

5. The students appearing at the final semester examination of post graduate course shall be eligible to sit for entrance examination

6. Total marks in M.Phil Programme is 500. The division of marks is as follows:

1 st year: 1 st semester: 200 marks	2 nd semester: 200 marks
2 nd year: dissertation: 100marks
