Subject Outcome

The latest syllabus of the Department of Political Science was adopted with effect from 2018-2019 session. It provides the students with an intensive and extensive knowledge in the domain of theory and practices of Political Science at the local, state, national and global levels. The programme is designed in such a way which brings out the best potentials of the students; encourages them to take part in the social and political life of the nation in a meaningful and responsible manner; and also enables them to get employment in various important sectors, such as teaching, administration, journalism, and media and also in society-centric NGOs. The programme also encourages the young learners of the department to develop critical intellectual perceptions towards the issue of politics and welfare of the people.
